PCERF

Pune Construction Engineering Research Foundation (PCERF) is an organization dedicated to advancing quality, innovation & safety in the construction industry. PCERF promotes a strong safety culture while enhancing knowledge, productivity & collaboration.

PCERF - Kumar Beharay Safety Awards

The PCERF-Kumar Beharay Construction Safety Awards promote safety as a core value in the construction industry. Now in its **12th Edition**, it continues to recognize excellence in safe practices.

Convener - Er. Ramnath Bhat | **Co Convener** - Er. Satishkumar Nair

CONSTRO International Expo 2026

Since 1985, CONSTRO has been a hub for international B2B engagements. Entering its **20th** edition in 2026, the expo highlights the **Theme - Machinery | Materials | Methods | Technology**. This year, PCERF proudly presents **CONSTRO 2026** from **8-11 January** at **PIECC, Pune**.

Concept of PCERF Safety Summit 2026

- Join us at our first **PCERF Safety Summit 2026 (8-11 Jan 2026 | PIECC, Pune)** in association with **SAMA** at **CONSTRO 2026**.
- Discover **40+ Stalls** showcasing the latest in safety innovations and technologies, bringing all stakeholders together under one roof.
- A separate Safety Pavilion for safety stalls & live demos at CONSTRO International Expo 2026.
- Technical sessions & panel discussions led by top safety experts.
- Connect through our **EHS Job Portal**.
- A must-visit platform for every professional committed to safer construction.
